

Happy New Year!

Welcome back to all you heroes and heroines! As you and your school teams begin to tackle the challenges once again, here are some bright spots from the world of VbE.

We should all share the good news!

Three VbE schools have approached the start of the term in their own unique and creative ways.

Please have a look at the free resources on the website. I imagine some being used for staff meetings or assemblies, to inspire or refresh, perhaps.

Why not have a look and let us know how you will use them? Are there others that you would like?

Values Library (thanks to Cranfield C of E Academy)

Finally, in the words of **Cranfield C E Academy** 'Happy New Year - Best School Year Ever!'

Best wishes from the VbE Team

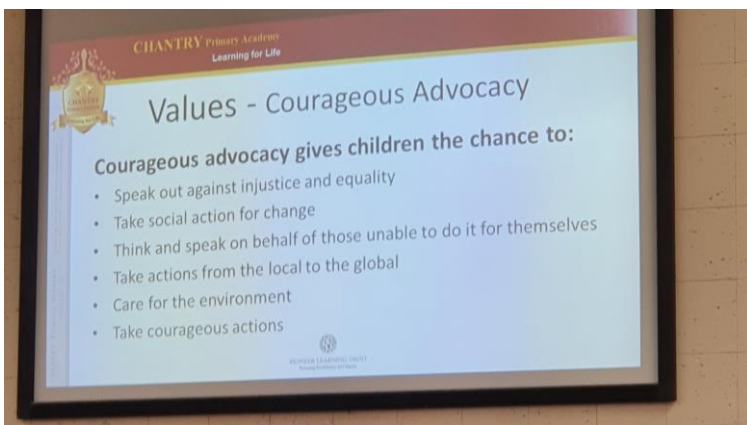

Staff of **Bridgetown Primary School, Stratford-upon-Avon** connected with each other and reflected on aspects of The Inner Curriculum. This training deepens our understanding of ourselves and our pupils. <https://valuesbasededucation.com/inner-curriculum-training/>

**Madley Primary School, Herefordshire** tweeted about their courageous decision to be outdoors in January

We've gone 'full on forest school' for the start of term. Every child (and adult) in every class in outdoor clothes for the next week and a half, keeping warm with windows open and learning outside. Indoor/outdoor school 'living the dream...'

A moment of reflection . . .

At **Chantry Primary Academy, Luton** staff focused on the concept of 'Courageous Advocacy' on their training day.
